APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0094 cubic feet per second, or sufficient water to water 300 cattle and horses.

Actual construction work shall begin on or before.....December 26, 1963.....

Proof of commencement of work shall be filed before.....January 26, 1964.....

Work must be prosecuted with reasonable diligence and be completed on or before.....December 26, 1964.....

Proof of completion of work shall be filed before.....January 26, 1965.....

Application of water to beneficial use shall be made on or before.....December 26, 1965.....

Proof of the application of water to beneficial use shall be filed on or before.....January 26, 1966.....

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed.....January 17, 1964.....

Completion of work filed.....January 15, 1965.....

Proof of beneficial use filed.....JAN 10 1966.....

Cultural map filed.....
